Well, my assumption is that the business council is not recollecting the conversation we had with them in July. Hopefully, Jeremy Patterson who was at the July meeting can participate in the call Thursday along with Minnie and Chris (although Minnie was at the July meeting also).

I have a call in with Minnie asking whether she is available for the Thursday 3:30 meeting and whether Chris Reagan is authorized to participate in the discussion. I'm not sure what she means by the BC "not aware of the situation."

Jody,

At this point, I talked with the BC, they were not aware of the situation. So, Jody at this point I do not know what to say. However, I will say there is a communication gap somewhere. Thanks, Jody.
